Hemorrhoidectomy via Rubber Band

2016 CODING AND REIMBURSEMENT GUIDE

Coverage, coding and payment for medical procedures and devices can be confusing. This guide was developed to assist with Medicare reporting and reimbursement when performing hemorrhoidectomy via simple (eg, rubber band) ligation. If you have any questions, please contact our reimbursement team at 800.468.1379 or by e-mail at reimbursement@cookmedical.com.

Coverage

Medicare carriers may issue local coverage decisions (LCDs) listing criteria that must be met prior to coverage. Physicians are urged to review these policies (http://www.cms.hhs.gov/mcd/search.asp) and contact their carriers’ medical directors (www.cms.gov/apps/contacts) or commercial insurers to determine if a procedure is covered.

Coding

The following Current Procedural Terminology (CPT) codes may be used to report hemorrhoidal band ligation procedures:
