**Disclaimer:** The information provided herein reflects Cook's understanding of the procedure(s) and/or device(s) from sources that may include, but are not limited to, the ICD-9 and ICD-10 coding systems, commercially available coding guides, professional societies, and research conducted by independent coding and reimbursement consultants. This information should not be construed as authoritative. The entity billing Medicare and/or third-party payers is solely responsible for the accuracy of the codes assigned to the services and items in the medical record. Cook does not, and should not, have access to medical records, and therefore cannot recommend codes for specific cases. When you are making coding decisions, we encourage you to seek input from the American Hospital Association (AHA), relevant medical societies, the Centers for Medicare & Medicaid Services (CMS), your local Medicare Administrative Contractor, and other health plans to which you submit claims. Cook does not promote the off-label use of its devices.

**This is not an exhaustive list of codes that can and/or will be reported for procedures in which Cook devices are utilized.
