

**Ambulatory Surgery Center Payment System, Hospital Outpatient Prospective Payment System and Physician Fee Schedule**

Medicare has made some significant changes to the Ambulatory Surgery Center payment system (ASC) [Table 1], Hospital Outpatient Prospective Payment System (OPPS) [Table 2] and Physician Fee Schedule (PFS) for 2017. In the charts below, we have identified some of the most significant changes. We have chosen to focus on changes greater than or equal to \$100 for ASC and OPPS from 2016 to 2017. There were no changes to the PFS that met this criterion. If you have questions about specific information in this document, or perhaps something you do not see in this document, please do not hesitate to contact our reimbursement team at 800.468.1379 or reimbursement@cookmedical.com.
