

# COOK MEDICAL

## Supplier Diversity Statement

---

Cook Medical is committed to working with small and diverse businesses that share our mission of enhancing patient care by pioneering innovative business solutions. This includes a long history of working with a diverse supplier base without discrimination. We value all forms of diversity and evaluate current and potential suppliers based on compliance, quality, delivery, and cost.

We use various resources from the Small Business Administration along with trade shows and industry days to support our diverse supplier base. Cook also participates in outreach activities that support small and diverse businesses. We believe that supporting small and diverse businesses improves the social and economic prosperity of our communities.

As part of Cook's procurement and supply chain processes, we seek opportunities with:
