Financial aid

You will apply for federal and state financial aid through the FAFSA (Free Application for Federal Student Aid). An Ivy Tech financial aid counselor can help you with the application. You will not need to apply for student loans. If you maintain a "C" or better grade in each class, your tuition, fees, and textbook costs that were not covered by federal or state financial aid will be deferred until the end of the semester, and then Cook Tuition Assistance will pay the bill. This way, there is no out-of-pocket cost to you. Cook provides tuition assistance up to \$5,250 each calendar year.
